As a result of the Governor's Proclamation of Disaster Emergency, the Board is allowed to limit the number of people present at an in person meeting location as long as the Board provides a means for the public to participate by telephone or electronically. Therefore, for the duration of the public health disaster emergency, the Lamoni Community School District Board of Directors will not conduct meetings which will be accessible by the public in person. The Board will instead conduct its meetings electronically when necessary and make those meetings accessible to the public through the following access phone number (US)+1 304-790-6303 PIN: 574 973 304# which will be provided with each meeting agenda and posted on the District's website.
