Good Attendance Is Important!

Good school attendance is critical for school success! Good attendance will give your child enormous benefits and advantages: **they don't miss out on any educational or social experiences which help them develop strong relationships and excel academically.**

Attendance is mandatory for ALL grades, preschool thru 12th! Students are expected to be in their classrooms by 8:00am. Students arriving after 8:05am will be counted tardy. Please notify the school by calling the Elementary Office at 641-784-3422 or email jrowland@lamonischools.org if your student will be absent.

Pick-up and Drop Off of Students

Parents and guardians will NOT be allowed into the district past the Elementary and High School offices. **This includes drop-off and pick-up of students on the first day of school.** Staff will be available to assist your child to their classroom until they are comfortable walking their on their own.

Elementary begins at 8am and ends at 3:05pm. For the safety of our students, elementary school drop-off and pick-up will occur ONLY on the west side of the playground on Elm Street. We ask that students not be dropped off prior to 7:30am unless they are registered for Before School Exploration Academy.

Fall Exploration Academy

Exploration Academy will follow the 2023-24 School District Calendar and will closed during the district's scheduled holidays and in the afternoons of Parent/Teacher Conferences. Beginning Day will be August 28. If at any time you need to adjust the registration for your child, please email kroberts@lamonischools.org with changes.

If daily after school plans change, please contact Jennifer Rowland in the Elementary School office at (641) 784-3422 so she may communicate after school change of plans to teachers.

[Click here for the registration link.](#)

Drop off and Pick Up Location TBA! If arriving for pick up before 5:00 please message me on the Remind App which I will send out before the first day.

Change in After School Plans

For the welfare and safety of our students, we ask that parents create a consistent after school plan for their student(s). Changing plans frequently can lead to feelings of stress and confusion for students and adversely affect their learning experience. Changes in plans need to be communicated to the Elementary Office prior to 2pm. Frequent changes in plans may be address by the principal. Our goal is to keep your child safe!
