PRIDE in all we do!

Being a Good Friend

We're helping students build strong friendships by practicing **PRIDE**. Being a good friend means using kind words (in person and online), including others, and treating everyone with respect—even when it's hard. We encourage students to ask for help when friendship feels tricky and to remember: real friends lift each other up.

Playground Expectations

We want recess to be fun, safe, and inclusive. We remind students to show **PRIDE** by taking turns, using kind words, keeping hands and feet to themselves, and including others in play. If a problem happens, students are expected to use their words or seek adult help. Everyone deserves a safe place to play and grow!
