| NO SCHOOL | NO SCHOOL | Muffins | Biscuits & Gravy | Pancake on a Stick |
| NO SCHOOL | NO SCHOOL | Pizza Rice | Chicken Sandwich Green Beans | Stuffed Cheesesticks |

When Should My Child Stay Home?

As much as we enjoy having your students at school, we want to have them here healthy, happy and eager to learn. When they come to school with runny noses, coughs and not feeling well, not only does it make learning difficult for your student, but it is difficult for the other students and teachers as well. **If your child has a fever of 100.0 or higher, vomiting or diarrhea, they may not come to school for 24 hours after the last episode. Students must be fever free without fever reducing medication for 24 hours before returning to school.**

We require that you or an emergency contact pick up your ill child within 30 minutes of being notified if your child is ill, or as soon as possible. We need everyone's cooperation to provide a healthy learning environment for our students and staff!

Find joy in gratitude

- Reflect on what you're thankful for
- Write down 3 positive things each day
- Say 'thank you' for small gestures

The holiday season can be tough... Your SAP is here to help!

Talk to a counselor 24/7 by calling the helpline.
Access free, confidential counseling sessions.
