## News and Notes

**Winter Weather Clothing:** your child will need to be dressed for playing in the snow at recess-if the temperature allows outdoor play. Students must have snow pants and boots to play in the snow. **They should also have other shoes to wear in the classroom!**

**Weather Cancellation Policy:** If school has a 2 hr delay, 3-year preschool will be cancelled. If school is let out early, preschool will let out 15 minutes before everyone else.

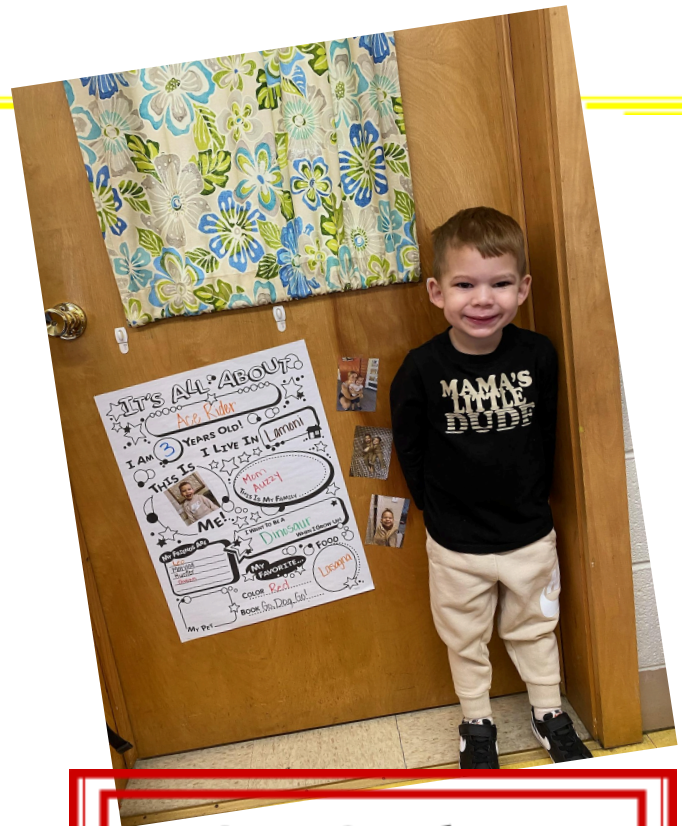

We are getting better at putting our coats on, but still need help with zipping them, and also putting hats and mittens on. We are struggling! Please work with your child on these things at home!

If your child needs to be absent, please call the elementary office and let us know. The number is 784-3422.  
\*If you take your child to the doctor due to illness, get a doctor's note to turn into the school for our attendance records!
